

Marcin Izdebski

Marcin Izdebski graduated from the Warsaw University of Technology and the Warsaw School of Economics.

He gained his work experience in the private sector, in NGOs and government administration institutions, where he has been constantly employed since 2016. Throughout that period he was responsible for overseeing companies with the participation of the State Treasury.

He was responsible for conducting business combinations such as acquisitions, mergers, spin-offs of assets or demergers of companies. He has professional experience in supervisory bodies of commercial companies.

Currently he is the Director of the Department of Supervision I in the Ministry of State Assets.

Since August 2018 he has performed the function of Chairman of the Supervisory Board of Polska Grupa Lotnicza S.A.
