Activation of the application

Set the PIN

Reenter the PIN

Next

The last step necessary to activate the mobile application is entering the activation code.

Generate an activation code

1. Log in to iPKO biznes from another device - <https://www.ipkobiznes.pl/nowe>
2. Go to Settings - "Mobile Applications"
3. Generate an activation code
4. Copy it below

Next

To receive it, log in to the iPKO biznes electronic banking system, and then go to the “Settings” section.

The screenshot shows the iPKO biznes login interface. At the top left is the iPKO biznes logo. To its right, the company name is set to 'NUMER_1' and the account number is 'NR_1_DE'. The user name is 'ADAM KOLTUNIEWICZ' and the user ID is '5934128831'. In the top right corner, there are links for 'Messages' (with a red notification icon), 'Settings' (highlighted with a red box), and 'Administration'. Below these links, it says 'Time remaining to session time-out: 09:56'. A navigation bar contains 'Transactions', 'Accounts', 'Cards', 'Loans and deposits', and 'Analysis'. A notification banner at the top indicates 'Number of unread messages 1' and 'Refusal to execute SEPA Direct Debit'. Below the banner is a row of buttons: 'To sign' (with a red notification icon), 'History of accounts', 'Account statements', 'New transfer', 'New import', and 'New'. There is also an 'Add shortcut' button with a gear icon.

In “Settings”, go to the “Mobile Applications” module.

The screenshot shows the 'Settings / Access channels' page in the iPKO biznes system. The top navigation bar is the same as in the previous screenshot. The main content area has a title 'Settings / Access channels'. Below the title is a row of buttons: 'Access channels', 'Access password', 'Authorisation tool', 'My profile', and 'Mobile applications' (highlighted with a red box). There is also a 'My short-cuts' button with a dropdown arrow.

Then, generate an activation code by using the “Download Code” button. This operation requires confirmation with a code from the token.

The screenshot shows the iPKO biznes user interface. At the top left is the logo. The top right contains a 'LOG OUT' button and a lock icon. Below the logo, there are fields for 'Company name: NUMER_1' and 'NR_1_DE'. User information includes 'User name: ADAM KOLTUNIEWICZ' and 'User ID: 5934128831'. On the right, there are links for 'Messages' (with a red notification icon), 'Settings', and 'Administration', along with a session timer 'Time remaining to session time-out: 09:54'. A navigation bar includes 'Transactions', 'Accounts', 'Cards', 'Loans and deposits', and 'Analysis', with a language dropdown set to 'EN'. The main content area is titled 'Settings / Mobile applications' and features a 'My short-cuts' section with five buttons: 'Access channels', 'Access password', 'Authorisation tool', 'My profile', and 'Mobile applications' (which is highlighted in dark blue).

Mobile applications

To activate iPKO biznes, download the activation code and enter it in the application

[Download code](#)

This screenshot shows the 'Generation of activation code' page in the iPKO biznes interface. The layout is similar to the previous one, but the breadcrumb trail is 'Settings / Mobile applications / Generation of activation code'. The 'Mobile applications' button in the 'My short-cuts' section is highlighted in dark blue.

Generation of activation code

The generation of an activation code requires confirming with a code from the token.

[Authorise](#)

Enter correct token code to get the application activation code.

The screenshot shows the iPKO biznes web interface. At the top left is the iPKO biznes logo. To its right, there's a header area with 'Company name: NUMER_1', a dropdown menu showing 'NR_1_DE', and a 'LOG OUT' button with a lock icon. Below this, the user's name 'User name: ADAM KOLTUNIEWICZ' and ID 'User ID: 5934128831' are displayed. On the right side of the header, there are links for 'Messages' (with a red notification icon), 'Settings', and 'Administration', along with a session timeout notice: 'Time remaining to session time-out: 09:51'. A navigation bar below the header contains links for 'Transactions', 'Accounts', 'Cards', 'Loans and deposits', and 'Analysis', with a language selector set to 'EN'. The main content area shows the breadcrumb 'Settings / Mobile applications / Generation of activation code' and a 'My short-cuts' dropdown menu. Below the menu are five buttons: 'Access channels', 'Access password', 'Authorisation tool', 'My profile', and 'Mobile applications' (which is highlighted in dark blue).

Generation of activation code

Now you can activate iPKO biznes by entering the following activation code in the application.

Activation code: 8648

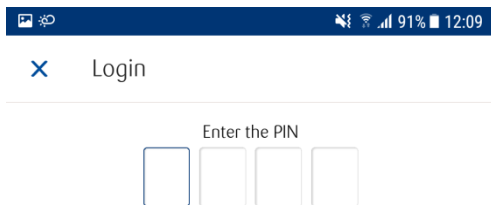

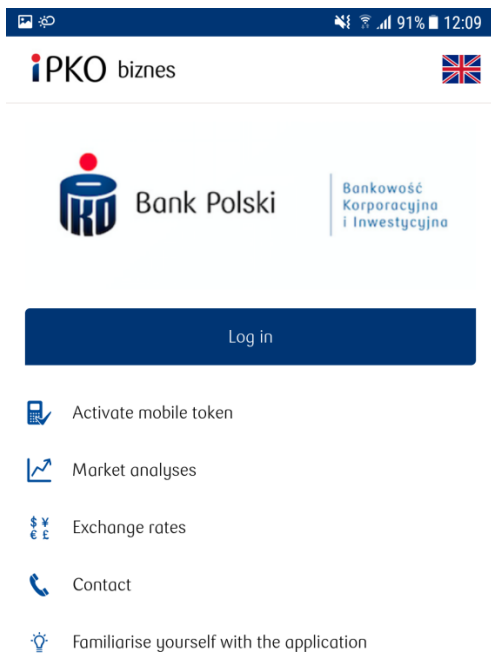

The code is valid till: 2019-09-25 12:04:33

OK

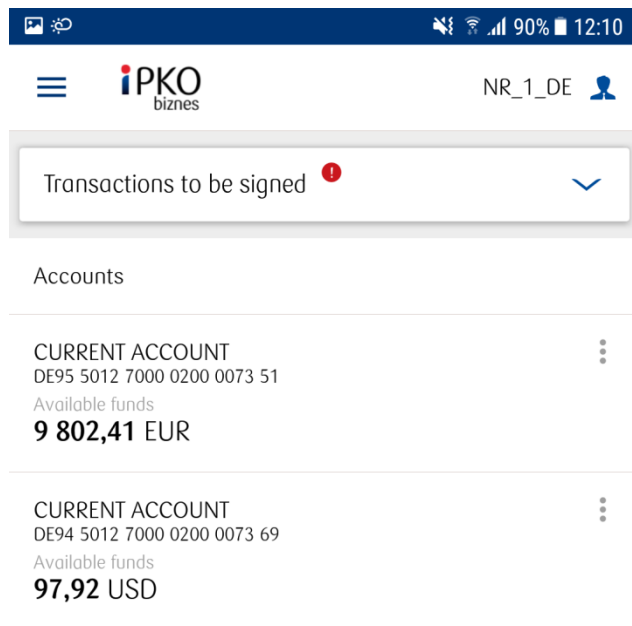

Enter the activation code and get a confirmation on the mobile phone screen.

The screenshot shows a mobile phone screen with a dark blue status bar at the top displaying signal strength, Wi-Fi, 91% battery, and the time 12:08. Below the status bar is a title bar with a close button (X) and the text 'Activation of the application'. The main content area features a large blue checkmark icon in a square box, followed by the text 'Congratulations!' and 'iPKO biznes activation has been completed successfully!'. At the bottom of the screen, there are two buttons: a dark blue button labeled 'Go to the iPKO biznes application' and a white button with a grey border labeled 'Activate the mobile token'.

To log in to the application, enter the previously defined PIN code after clicking “Log in”.

Congratulations! Now you can use the iPKO biznes mobile application!
